

Kharmagtai, Mongolia – Mat Brown

**"The gold-rich porphyries of Kharmagtai, Mongolia.
Making discoveries undercover. What has worked and what has not"**

Mat is an exploration geologist with over 20 years' experience in exploration for base metals, precious metals and uranium across Australia and Asia. Mat was involved in the discovery of the Merlin Mo-Re deposit in the Cloncurry Region and has held positions with Placer Dome, Barrick, Ivanhoe and Xanadu Mines.
