

The next SMEDG meeting will be held on Thursday November 24, 2022 at 5.30 pm for 6.00 pm at Club York, and will also be broadcast on Zoom. As usual the talk will be followed by dinner at either the Zabou Bistro or Primi Italian, both in the Club.

We are, as is customary at this time of year, pleased to present the Geological Survey of New South Wales' Annual Showcase/Update. Speakers and topics this year will include:

Grant McLatchie – Executive Director, Geological Survey of NSW (GS NSW) “Geological Survey of NSW”

Astrid Carlton – Senior Geophysicist “GS NSW’s largest geophysical acquisition campaign”

Chris Folkes – Senior Geoscientist “GS NSW geological mapping”

James Ballard – Geoscientist “New functionality and datasets available in MinView and phone apps”

(speaker will be Gary Colquhoun - Senior Geoscientist - should James not be able to attend).
